*"A deeply moving and eloquent testimony
to the power of Forgiveness."*

~ ARCHBISHOP DESMOND TUTU, Nobel laureate

THE ATTACKS ON THE WORLD TRADE CENTER and the Pentagon have changed our world. For many, the fear and shock have resulted in feelings of hatred and a desire for revenge. In *Forgiveness*, Michael Henderson documents the path that led to forgiveness and reconciliation for many conflicts of the twentieth century. He tells the story of remarkable people from many nations and different faiths, who, in the most painful circumstances, have broken the chain of hate. From these examples we can find new ways of working together across the fault lines of history.

"The immensity of this tragedy has given to September 11 a unique place in the annals of callousness.... Forgiveness: Breaking the Chain of Hate is evidence that the stuff of forgiveness is sterner than suspected. It does not condone evil, and evil, on its part, cannot extinguish the power of forgiveness."

~ RAJMOHAN GANDHI, from the Foreword
